

WordRushTools

User Guide & Platform Handbook

Complete reference for word-game solvers, vocabulary training, strategy systems, academy modules, and knowledge hubs.

Version 1.0 | Educational Reference

Contents

- 1. Getting Started
- 2. Word Game Tools
- 3. Vocabulary & Learning
- 4. Academy & Knowledge Hubs
- 5. Strategy Systems
- 6. Dashboard & Account
- 7. Premium Features
- 8. Trust, Governance & Fair Play
- 9. FAQ & Support

1. Getting Started

WordRushTools is an educational word-game and vocabulary platform. This guide explains every tool, learning module, and workflow available on the site.

Create a free account to unlock personalized progress, saved word lists, and dashboard analytics. No account is needed to use solvers or read academy articles.

- Sign up: /signup — email + password, no card required.
- Sign in: /login — session persists across devices.
- Home base: /dashboard — quick access to every tool and your recent activity.

2. Word Game Tools

Fast, deterministic solvers for the games you already play.

Anagram Solver

Rearrange up to 15 letters into every valid word. Supports wildcards. Route: /anagram-solver.

Scrabble Solver

Score-optimized suggestions across TWL and SOWPODS lexicons. Route: /scrabble-solver.

Wordle Helper

Filter candidates by green, yellow, and gray feedback. Route: /wordle-helper.

Crossword Solver

Pattern matching with known letters and lengths. Route: /crossword-solver.

Unscrambler

General letter unscrambling for puzzles and word games. Route: /unscrambler.

Score Optimizer

Board-aware Scrabble scoring guidance. Route: /score-optimizer.

3. Vocabulary & Learning

Vocabulary tools go beyond definitions: etymology, usage, difficulty tier, and related words connect every entry into a learning graph.

- Word pages: /words/<word> — definition, examples, related terms.
- Glossary: /glossary — 100+ curated terms across Scrabble, crossword, vocabulary, and learning theory.
- Crossword clue database: /crossword-clues.
- Blog: /blog — long-form articles and strategy essays.

4. Academy & Knowledge Hubs

The Academy organizes learning into clusters (Scrabble, Crossword, Wordle, Vocabulary, Language Skills). Each cluster contains articles, worked examples, and study checklists.

- Academy home: /academy.
- Knowledge Center: /knowledge-center — topic hubs with curated reading paths.
- Resources: /resources — printable references, downloads, and study aids.

5. Strategy Systems

Strategy systems are structured playbooks that combine solver output with practice drills and pattern recognition.

- Daily Challenge: /daily-challenge — one curated exercise per day.
- Challenge Center: /challenge-center — timed and themed challenges.
- Brain Training Center: /brain-training-center — cognitive drills.
- Cognitive Performance Center: /cognitive-performance-center.

6. Dashboard & Account

- Dashboard: /dashboard — recent activity, saved lists, tool shortcuts.
- Account: /account — profile, preferences, subscription.
- Writing Studio: /writing-studio — long-form writing projects with export.

7. Premium Features

Premium unlocks advanced solvers, larger word lists, batch exports, and priority support. Pricing and comparison: /pricing and /premium.

- Upgrade: /upgrade.
- Manage subscription: /account.

8. Trust, Governance & Fair Play

WordRushTools is an independent educational platform. It is not affiliated with, endorsed by, or sponsored by Hasbro, Mattel, The New York Times, or any trademark holders of games referenced on the site.

- Trust Center: /trust-center — every policy in one place.
- Responsible AI Policy: /trust/responsible-ai-policy.
- Dictionary & Methodology: /trust/dictionary-methodology.
- Fair Play Policy: /trust/fair-play-policy.
- Trademark Compliance: /trust/trademark-compliance.
- Privacy: /privacy | Terms: /terms | Cookies: /cookie-policy.

9. FAQ & Support

- FAQ: /faq — quick answers to the most common questions.
- Contact: /contact — reach the team.

- Editorial Standards: [/editorial-standards](#).
- Methodology: [/methodology](#).
